

提供全方位支援 建造無煙力量

All-round support to build a smoke-free construction force

利基 — 顯豐工程聯營為啟德發展計劃之前北面停機坪第3B期基礎設施工程的總承建商，並以「從心出發」作安全及健康政策的宗旨，制定多元化無煙措施及提供全方位支援，以協助員工投入無煙生活，確保他們健康及工作安全。另外，公司於工地舉辦各式各樣的戒煙推廣活動，如推行戒煙獎勵計劃、安排健康檢查及無煙講座、於顯眼位置展示戒煙海報及橫額等，藉此加深員工對煙害的了解及加強其戒煙決心。現時，共有近七成參與員工成功戒煙，成績令人鼓舞。未來，公司將繼續致力營造無煙健康的工作環境，一齊建設無煙香港。

Build King - Richwell Engineering Joint Venture is the main contractor of the site of Kai Tak Development - Stage 3B Infrastructure at Former North Apron Area. The company has been actively providing all-round support to smoking employees and adopts an "I Care" approach to roll out smoke-free measures. To enhance employee's knowledge on smoking hazards and strengthen smokers' determination to quit, a wide range of promotional activities were held at the sites, including cessation reward scheme, smoke-free health talks, health checks and putting up smoking cessation posters and banners etc. Around 70% of participants successfully kicked the habit under the company's smoke-free efforts. Looking ahead, the company will continue to foster a healthy working environment and strive for a smoke-free Hong Kong.
